

5 YEAR EXTENDED ANSI PUMP WARRANTY

Five Year Extended Performance Guarantee

ITT Goulds Pumps is pleased to offer an optional *5 year extended warranty* for the following models:

3196, CV 3196, HT 3196, LF 3196, 3996, 3796, and NM 3196

This extended warranty is our commitment that every pump will perform reliably for a period of five years after the date of shipment from ITT Goulds Pumps or one of our authorized industrial distributors.

Costs for this extended warranty by group are as follows:

STX.....	\$ 280
MTX.....	\$ 320
LTX.....	\$ 460
XLTX.....	\$ 675
X17.....	\$ 760

Customers experiencing a failure directly attributable to materials and/or workmanship within five (5) years after shipment, under the terms of our warranty, ITT Goulds will repair or replace the failed component(s) FREE of charge.

The extended warranty is contingent on customers using Goulds OEM parts exclusively and following the procedures as outlined in the product Installation, Operation and Maintenance Manual.

The Extended Pump Warranty excludes normal wear, abuse, misapplication, etc. For further clarification of our warranty policy refer to ITT Industries' standard Terms and Conditions as published in document number 700.1.
