

Who's your
Daddy?

Think about ITT.

We make parts for orphaned pumps. If you have any rotating equipment abandoned by its OEM, don't fret. ITT ProCast is here. Our flexible foundry and machining services plus laser technology and digital patterning mean we can exactly replicate replacement parts for any piece of rotating equipment. In fact, we're so committed to it that you'll come to think of us as your new OEM. Visit procastparts.com or call 1-800-543-6263.
